HOW IT WORKS

SIMPLE, ON PURPOSE.

01 REACH OUT

The intake form, the calculator, or a plain email. All of it lands in the same inbox.

02 WE TALK

A short call to make sure I am the right fit for your day. No pitch, just questions.

03 LOCK THE DATE

Once you book, the date is yours and nobody else can have it.

04 THE ENGAGEMENT SESSION

On the house, shot before the day, so the camera feels normal by the time it matters.

05 THE DAY ITSELF

I arrive early, stay out of the way, and miss nothing. The gallery follows, full resolution, yours to print.

NEXT STEP

Fill in the wedding intake form next. It tells me exactly how to build your day, and it makes our first call twice as useful.
